Course Code: CLDV6212

Course Name: Cloud Development B

ICE Task 4 (CLASS ACTIVITY): Adding a **Contact Us Page** to the **Home View** of ABC Retailers Web Application.

At the end of this Task, students should be able to:

- Demonstrate their understanding of **Using appropriate semantic HTML tags** to code a detail rich **Contact Us** Page of a web application.

ACTIVITIES AND INSTRUCTIONS

For this activity, you are required to **create** and **add** a **Contact Us Page** to the **Home View** of the **ABC Retailers** web application. The contact us must have the following information. **REMEMBER TO UPDATE THE HOME CONTROLLER!**

- **Address of ABC Retailers**
- **Contact Email**
- **Contact Number**
- **Operational Hours** (Use Unordered List or a Table)
- **Embed an Enquiry Google Form –** moving it from the **policy page** to the **contact us page**.
- **Embed Google Maps -** moving it from the **policy page** to the **contact us page**. The Google Map address must match the address indicated above.

Submission Requirements:
Write your report in a **MS Word** document or **PDF** document using the following headings, in order they appear:
- Cover Page (contains the following: your **Name**, **Surname**, **Student Number Module Code**, Task Number (**ICE Tasks 4** in this case).
- List of Figures (Ensure all images are properly referenced).
- Screenshots of your **CONTACT US PAGE CODE** and screenshot of the **Contact Us page as displayed in the browser**.

Label your document as follows: **CLDV6212ICE4_StudentNumber_StudentName**

Submission Deadline: Wednesday 17th September 2025

Submission Time: Latest 23:59

Submit your document to ARC using the **ICE TASKS 4** Submission Link.

Duration: 1 Hour
